**FOLD OUT Furniture**

LETTO **HARRY**

HARRY is a transformable wallbed system which provides a bed, a writing desk and a shelf. Without having to move anything from the desk or the shelf, you can open and use the bed. The melamine structure and front panel are available in a range of colours. The metal frame is in an embossed aluminium color, and the wooden slat base provides for a comfortable sleep and mattress aeration. Available in the following sizes: HARRY M Double bed size, 145x205cm HARRY L Queen bed size, 165 x205. N.B. Wall fastening mandatory.
