QUEEN SWIVEL BED

The element of surprise! We like to call it the JAMES BOND bed. This unique wallbed system allows you to swivel this bookcase to reveal a queen size bed. A beautiful and functional piece of furniture equally at home in the lounge room, study or guest room. A range of melamine colours to choose from, with a strong metal frame in an embossed aluminium colour, and a wooden slat base for a comfortable sleep and mattress aeration. Mattress base 160 x 200 cm. NB Wall fastening mandatory. Options available include - folding table; TV support, custom cabinetry and doors.
