LETTO HOUDINI - Vertical or Horizontal

The Houdini bed comes as both a vertical and a horizontal wallbed/sofa option. The sofa cushions are completely removable. The melamine structure, front panel and fabric come in a range of colours, and the metal frame is an embossed aluminium color. The wooden slat base provides comfortable mattress support and aeration. Optional extras include folding headboards; digital print on the front panel; back panels and removable headboard cushions. Customised cabinetry is also available.

The VERTICAL HOUDINI is ideal for narrow living spaces, or when above bed storage/bookcase is also required.

Available in the following sizes: Houdini M: 145x205 cm - Houdini L: 165x205 cm

N.B. Wall fastening mandatory.
