LETTO GHOST + CHAISE LOUNGE

The Ghost vertical bed with sofa and chaise lounge. This composition offers a comfortable three seat sofa, a chaise lounge that can be used on either the left or the right hand side. It also has a shelf and a useful storage space under the sofa and behind the third seat. Optional in-arm storage space is also available. The bed is easily opened forwards over the sofa to provide a ready-to-use bed, without moving anything off the shelf. The shelf is synchronized with the opening of the bed - remaining horizontal to the floor, and provides extra stability as a leg. The sofa is completely removable. A wide range of fabric and cabinetry colours is available, along with custom cabinetry to complement your space. Melamine structure with strong metal frame in an embossed aluminium color. Slatted base for comfort and mattress aeration.

SIZES: Double 145x205 or Queen size:165x205. N.B. Wall fastening mandatory
